## **Product Catalog 2013**

**All Natural Sauces. Many are Gluten Free!  
Made from the Highest Quality Ingredients.  
No fillers, no preservatives.**

**Naturally low in sodium high in Vitamin C**

**click on underlined words for links to that item**

**Many people have been asking about gluten. Most of our products are gluten free and I have indicated that below on each item. It will take us time to incorporate this on our labels, I hope this list helps.**

**New: Jolokia Hot Drops - **xx Hot** Gluten Free. One of our hottest blends: Plenty of heat packed in a small bottle and true to our reputation it is bursting with flavor. Use to heat up just about anything. A couple drops is all it takes. The extent of the heat is delayed (as is the nature of true ghost pepper) a few seconds making this one quite pleasing! So much flavor and no salt.**

**Black Scorpion Hot Sauce: **xxx Hot** Gluten Free. Our Hottest blend. Made with the hottest pepper in the world! The scorpion pepper. The heat from this pepper makes your taste buds tingle. A lasting sting that will please the heat seeker. Quite different from the heat of any other pepper. Great flavor in this hot sauce. Great on sandwiches or sprinkle on your burger, steak or chicken to get that stinging tingle!**

**Arizona 18 Sauce **Extra HOT**. The perfect gourmet taste of the Southwest. 18 perfectly blended ingredients. Good on steaks, ribs, pork, chicken. Contains 5 different kinds of peppers. Use to dip, Glaze or marinade. Not a BBQ, not a hot sauce, it is THE Arizona 18. The Perfect Sauce for anything!**

**SW Hot Sauce - **Extra HOT** A true traditional SW Hot Sauce. Great all purpose sauce. Good on steaks, chops, chicken, dipping, eggs and more. Makes great chicken wings! Flavorful enough to drizzle on anything. Sprinkle on cooked potatoes of any kind!**

**Mild Salsa: **Our mild salsa is truly mild**. Gluten Free, Contains 6 different peppers but we remove the seeds and veins therefore maintaining the great flavor of salsa without the heat. A true favorite for a side dish at dinner. Dip it, spoon it, use it as a condiment for your tuna steak! Great addition.**

**Medium Salsa: Gluten Free. Contains 7 different peppers for a flavorful blend of the most desired heat level. Medium salsa isn't just for chips or**

nachos. Use it on steak. Our salsas are rich and robust. Use the all natural ingredients to add to your soup. Onions, peppers, tomatoes. etc. Skip all the slicing and dicing and just use this!!

**Hot Salsa:** Gluten Free. Contains 8 different peppers. Just enough heat and all the flavor you desire in a true southwestern all natural salsa. We do not add any water so it's rich and thick and perfect for a little heat fix. This is the preferred salsa to pile on in the middle of those nachos. Watching the game with friends? Use this with chips, cheese, sliced black olives and of course our extra hot sliced jalapeno's. A party pleaser.

**Extra Hot Salsa:** Gluten Free. This one is thick enough to eat with a fork. With the combo of ingredients including 9 different peppers you will want to pile it on all your favorite chips. But don't think salsa is just for chips. This one is good if you mix it in your refried beans for that burro with texture or taco meat with a extra kick. Use a few spoonfuls in your hamburger. We do not use fillers so it's all natural produce. Why pick and choose all those hot pepper for the perfect hamburger mix when you have 9 of them in here? Add some beer and some of this salsa for a great tasting burger.

**Ghost Pepper Salsa:** **xx Hot.** Gluten Free. Paradise for the heat seeker. Flavor first then...1.2.3.4.5 the bite! Popular for the heat lover who wants flavor too! This one contains the very hot Ghost Pepper. (Bhut Jolokia from India) and 9 other kinds of peppers. Bursting with heat and blended for bold flavor. Some use the Ghost pepper for a novelty hot salsa. We focus on flavor first. Get those endorphins flowing with this salsa and enjoy the bold flavors of the 10 different peppers.

**Peach Salsa:** **Low Medium-Sweet & Spicy.** Gluten Free. A best Seller. It is the perfect balance of sweet and spicy Great as a dip but is also good as a marinade on chicken and pork.

**Chipotle Black Bean & Corn Salsa:** **Mild** This salsa has a rich robust flavor. We do not skimp on the beans and corn. Thick and chipotle rich. Add meat and it is flavorful enough to be called chili!

**Pineapple Salsa:** **. Sweet & Spicy. Mild** Gluten Free This one is thick with pineapple and great for cooking. Baste your chicken or pork roast with it before baking or grilling. It has that 'can't get enough' type flavor.

**Jalapeno Relish:** **High Medium.** Gluten Free. It is the perfect blend of jalapeno's, onions, peppers. Great on hamburgers, hot dogs, subs or to top your steak or chicken! It is chunky and jalapeno hot. A true favorite. Try it to spice up your pasta salad recipe.

**Hot Pepper Mix,** with a ghost pepper pod: **Hot** Gluten Free. Bursting with natural fresh pepper flavor. A blend of 6 different kinds of hot peppers with one ghost pepper pod, Hot peppers with an added bite! Great on your burger, steak, or use as a topping on your tacos. Make stir fry easy and hotter with this mix! Pierce the ghost pepper pod after opening to spread more heat.

**Sliced Jalapeno's with Ghost Pepper:** **Hot** Gluten Free. Fresh jalapeno's nacho sliced and placed in the jar with a ghost pepper pod to heat it up the ghost pepper way. Sure to please the jalapeno lover with a extra kick. Pierce the ghost pepper pod after opening to add more heat and flavor. Great on Burgers or Subs. A necessary ingredient for your nachos of course! Surprise them with that extra bite!

**Arizona Red Sauce:** **Low Medium.** Gluten Free. It is a good dip, dip mix, and condiment. Our own special blend with a rich southwestern flavor. Mix with sour cream or refried beans for a dip or nacho topping that will keep them guessing on how you made them taste so good! A must for eggs, use to flavor meat for taco's or Spanish rice. Made with NM red chili making it a

superb high quality sauce. [New recipe page](#) for this sauce.

[Habanero Gold Jelly](#): **Hot** A favorite! The sweetness you expect from jelly with the kick of fresh habaneros and just a touch of Ghost Pepper to tingle your taste buds. Good on toast or crackers with cream cheese or use as a glaze for your ribs, chicken, or any other meat you like the sweet spicy flavor on. Customer feedback is great on this one.

[Blueberry Habanero Jelly](#): **Hot** Bright Blue with the perfect amount of habaneros to make it sweet and spicy. Sure to please any pepper jelly lover you know. Good on toast or crackers with cream cheese. The sweetness of the Blueberries pairs well with the fresh habaneros. Add some to your pies and surprise their taste buds!

[Jalapeno Jelly](#): **Mild** We strip the fresh jalapeno's so you get all the flavor with no heat. We mix it with a touch of cherry and other ingredients for a perfect blend sure to please. Good on toast or glaze your chicken! Use on your tacos as it is so flavorful with jalapeno's.

[NEW: Sweet 16 BBQ](#) - Mild - Made with NM Green Chili and 15 other all natural ingredients. Rich and thick this one is a best seller and good on just about anything! Great marinade and dip. Skip the ketchup use this! Perfectly sweet and tangy.

**All Natural Spice Mixes  
Guaranteed Fresh.**

**No MSG, fillers, or Preservatives**

[Habanero Green Chili Seasoning Mix](#)- **Hot**. Gluten Free. Number one seller. This mix is hot, but don't let the name scare you. It is full of flavor. There are no two chili's that mix as well as these two for flavor. Put it right next to the salt and pepper for that member of the family who wants to sprinkle on some heat.

[Green Ghost Seasoning Mix](#) - **Extra Hot**. Gluten Free. Made with Green Chili and Smoked Ghost pepper for the perfect combination of flavor and grab the tissue hot! So flavorful it is good on anything.

[Green Chili Seasoning Mix](#)- Mild Gluten Free. The perfect blend of green chili (From Hatch NM) and garlic along with a hint of some special herbs and spices. Good on chicken, burgers, steak. Use as a rub. Sprinkle in your soups casseroles and stews.

[BBQ Seasoning Mix](#) **High Medium** Bold Blackening meat rub. . Great on the grill or broiled. Good on beef, chicken, turkey, pork or shrimp. This mix makes the BEST mouth watering grilled shrimp you or your guests will ever have! Marinade in a little olive oil and this mix before grilling. Make boring turkey burgers taste like they were made by a gourmet chef.

[Hickory Smoked BBQ Seasoning Mix](#) **NEW! High Medium** Same as BBQ seasoning mix but the salt is changed to Hickory Smoked Sea Salt imported from Italy. GREAT BBQ aromatic and flavor. Half the salt of regular BBQ.

[Salt Free BBQ Seasoning Mix](#): **High Medium** .You won't miss the salt in this blackening meat rub. Customer request for no salt added. Great on any meat fish or poultry. The more you use the hotter it will be. Marinade two hours or over night. Rub meat with olive oil first to make it stick better.

[Chipotle Seasoning Mix](#)- **Low Medium to Medium range**. Gluten Free. This is our most versatile blackening spice rub. It makes a great addition to soups or stews. It blackens on the grill. Great on ANY protein. It makes wonderful blackened steak! It is complimented with crushed garlic as a meat rub but doesn't require it. Rub the protein with olive oil, crushed garlic and the chipotle mix, then put in a Ziploc bag and leave in the refrigerator for two hours to overnight)

[Jalapeno Seasoning Mix](#) - **This one is a high medium spicy**. This mix is a

great addition to many dishes. Originally created for chicken and fish it has become a popular flavor enhancer for many soups, stews, casseroles. If you like the flavor of jalapeno's You'll love this one.

**Habanero Red Chili Seasoning Mix- Hot.** Gluten Free. Another great blackening meat rub. A kitchen condiment for the one who likes the serious heat in their meals.

Good on chicken, steak and pork and ribs. Makes great jerky too! Add to sauces for that great habanero flavor. The red chili is from NM, and makes this mix burst with flavor. Use to make your home made chili POP.

**Salad and Vegetable Seasoning Mix- Mild+.** Gluten Free. Skip the salad dressing and just use this. You won't miss the dressing. Good on salad, grilled asparagus, corn on the cob, Potatoes, broccoli, and on slaws. It is great on poultry and fish. Just sprinkle some on the outside before cooking. I like to coat my fish or chicken with olive oil first but it's not required. A great addition to chicken or pork chop breading. This one has become an all purpose seasoning salt with salt as a low ingredient.

**Mexican Seasoning Mix- Mild.** Gluten Free. A very good seasoning for your rice, enchiladas, tacos, or fajitas. Good on potatoes and steak too!. This one has all the flavor so you really don't need to add a lot. Some peppers and onions if you wish but it is good and flavorful on it's own. This one is very flavorful and mild enough to please everyone.

**Split Pea Mix:** A simple combination of split yellow and green split peas for a great pea soup.

**Chili Seasoning Mix- Medium.** Gluten Free. All you need are your choice of beans and this mix. Other ingredients optional. Bold Southwestern flavor of NM Chili's and the perfect blend of spices.
